

A Message from Our Senior Pastor

Delton and Jean Smith
Senior Pastor and wife

In our area, there are churches everywhere! In fact, where you live there is probably a church nearby. But, we feel our church is unique and we want you to experience this for yourself.

What is different about this church from others? We hope you will agree that it is our "worship friendly" atmosphere that we attempt to promote to each and every person in all three of our Sunday services.

I would like to thank you for worshiping with us this week. Please feel free to come again at 10:00 a.m., 11:00 a.m., or 6:00 p.m. each Sunday!

Sincerely,

Delton G. Smith
Senior Pastor

P.S. How about attending a Home Friendship Group near you?

Robert Richardson is our Assistant Pastor. His wife, Vicle, leads our Music and the Christian Education Department.

Christian
Life Center

A CARING PLACE IN AN UNCARING WORLD!

Some of what you'll discover at Christian Life Center...

- **Relevant and Meaningful Messages**

Our pastors believe that the Bible is true, helpful and relevant for everyday life.

- **Dynamic Contemporary Music**

Our music is contemporary and upbeat. We believe that worship music should help us grow closer to God, and help us be refreshed in the Spirit. Our worship leaders are gifted musicians who will help us experience God's presence through music.

- **A Relaxed and "Non-Pressured" Atmosphere**

You'll enjoy being with your neighbors and meeting new friends in an atmosphere that is friendly, casual, inviting and relaxed.

- **Excellent Children's Ministry**

We have made children a high priority in our ministry. Our nursery and preschool childcare center are clean, safe, and staffed with loving workers. Our children's ministry will be a highlight of your elementary-age children's week. Activities will be fun and help your children learn how Jesus relates to everyday life. Special ministry for the youth, too!

- **Opportunities to Grow Relationally and Spiritually**

We all desire to grow closer to other people. Our Sunday worship services offer this opportunity as well as more personal gatherings in homes throughout the community.
