## History

The Camp Teamwork Foundation was founded in 1993 by prominent and community leaders in an attempt to offer consistent and continuous support and programs for the "at-risk" youths in the Washington-Baltimore metropolitan area. Through its array of programs, the non-profit foundation continues to promote the well being of its participants as well as helping to provide the safest and most nurturing environment for its participants.

---

## How Camp Teamwork changed my Life.

"I am forever grateful to Camp Teamwork for helping make my lifelong dream of becoming a college graduate a reality. Camp Teamwork provided me with the opportunity to lay the academic foundation that I needed to reach my lofty goals."

—Keith, Maryland

"I don't know if I would be currently attending college if it weren't for the blessing of the Camp Teamwork foundation."

—Chris, Washington DC

"Camp Teamwork has touched the lives of so many youths for the past decade. Personally, the feeling of being able to give back and help at-risk youths throughout our region has been inspirational."

—Mike Glick, Maryland

## The Camp Teamwork Foundation

---

## Philosophy

Camp Teamwork is concerned with all aspects of the development of today's youth and recognizes an obligation to prepare its participants with the skills and tools necessary to conquer life's obstacles and set the foundation for their futures. Our mission is to develop the spirit, mind, and body of our participants by integrating intellectual, academic, and physical talents with a broad spectrum of everyday social life skills in an attempt to help them effectively deal with life problems. We seek to show youths that there are alternatives, especially through education, to the negative pitfalls to which too many become victims.

## The Scholarship Program

The Camp Teamwork Scholarship Program has been an integral component of the foundation from its inception. This scholarship fund provides greatly needed financial assistance to participants who qualify academically. This assistance is essential in helping the chosen students defray their educational cost in the areas of tuition, books, and uniform costs. Over the past decade, more than 60 participants, attending over 25 schools, have been afforded educational opportunities through Camp Teamwork that might otherwise have not been possible. As a result, the student's educational experience is greatly enhanced and their social, cultural, and intellectual awareness is broadened beyond the youths' existing environments. The overriding goal of the foundation is to help the youths of the 21st century educationally help themselves.

## How can I help?

Your generous financial assistance is imperative to the Camp Teamwork Foundation as we enter into our second decade of service to our youths. All charitable donations are tax deductible.

*(continued on back)*

☐ **Yes**, I would be overjoyed to support the Camp Teamwork Foundation in its efforts to help the children of today educationally help themselves.

Enclosed is my tax deductible donation of:

- ☐ \$2,500 or above  
☐ \$2,000  
☐ \$1,000  
☐ \$500  
☐ Other \_\_\_\_\_
